## **Item 2.03    Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.**

On March 27, 2019, The Goodyear Tire & Rubber Company (the “Company”) and its wholly owned subsidiary, Goodyear Europe B.V. (“GEBV”) (formerly known as Goodyear Dunlop Tires Europe B.V.), amended and restated its European revolving credit facility (the “Amended European Credit Facility”). Significant changes to the Amended European Credit Facility include extending the maturity to March 27, 2024, increasing the available commitments thereunder from €550 million to €800 million, decreasing the interest rate margin by 25 basis points and decreasing the annual commitment fee by 5 basis points to 25 basis points. Loans will now bear interest at LIBOR plus 150 basis points for loans denominated in U.S. dollars or pounds sterling and EURIBOR plus 150 basis points for loans denominated in euros.

The Amended European Credit Facility consists of (i) a €180 million German tranche that is available only to Goodyear Dunlop Tires Germany GmbH (“GDTG”) and (ii) a €620 million all-borrower tranche that is available to GEBV, GDTG and Goodyear Dunlop Tires Operations S.A. Up to €175 million of swingline loans and €75 million in letters of credit are available for issuance under the all-borrower tranche. Subject to the consent of the lenders whose commitments are to be increased, we may request that the facility be increased by up to €200 million.

GEBV and certain of its subsidiaries in the United Kingdom, Luxembourg, France and Germany provide guarantees to support the Amended European Credit Facility. GEBV’s obligations under the Amended European Credit Facility and the obligations of its subsidiaries under the related guarantees are secured by security interests in collateral that includes, subject to certain exceptions:

- the capital stock of the principal subsidiaries of GEBV; and
- a substantial portion of the tangible and intangible assets of GEBV and certain of its subsidiaries in the United Kingdom, Luxembourg, France and Germany, including real property, equipment, inventory, contract rights, intercompany receivables and cash accounts, but excluding accounts receivable and certain cash accounts in subsidiaries that are or may become parties to securitization or factoring transactions.

The German guarantors secure the German tranche on a first-lien basis and the all-borrower tranche on a second-lien basis. GEBV and its other subsidiaries that provide guarantees secure the all-borrower tranche on a first-lien basis and generally do not provide collateral support for the German tranche. The Company and its U.S. and Canadian subsidiaries that guarantee the Company’s U.S. senior secured credit facilities also provide unsecured guarantees in support of the Amended European Credit Facility.

The Amended European Credit Facility contains covenants similar to those in the Company’s first lien revolving credit facility, with additional limitations applicable to GEBV and its subsidiaries. These covenants limit, among other things, the ability of the Company and certain of its subsidiaries, including GEBV, to (i) incur additional debt or issue redeemable preferred stock, (ii) pay dividends, repurchase shares or make certain other restricted payments or investments, (iii) incur liens, (iv) sell assets, (v) incur restrictions on the ability of the Company’s subsidiaries to pay dividends or to make other payments to the Company, (vi) enter into affiliate transactions, (vii) engage in sale and leaseback transactions, and (viii) consolidate, merge, sell or otherwise dispose of all or substantially all of the Company’s assets. These covenants are subject to significant exceptions and qualifications. In addition, under the Amended European Credit Facility, GEBV’s ratio of Consolidated Net GEBV Indebtedness to Consolidated GEBV EBITDA for a period of four consecutive fiscal quarters is not permitted to be greater than 3.0 to 1.0 at the end of any fiscal quarter. “Consolidated Net GEBV Indebtedness” and “Consolidated GEBV EBITDA” have the meanings given them in the Amended European Credit Facility.

The Amended European Credit Facility has customary representations and warranties including, as a condition to borrowing, that all such representations and warranties are true and correct, in all material respects, on the date of the borrowing, including representations as to no material adverse change in the Company’s business or financial condition since December 31, 2018.

The Amended European Credit Facility contains customary events of default, including cross-defaults to material indebtedness of the Company and its subsidiaries. The lenders may declare any outstanding obligations under the Amended European Credit Facility immediately due and payable upon the occurrence, and during the continuance of, an event of default. In addition, the amount of any outstanding obligations under the Amended European Credit Facility will be immediately due and payable in the event that the Company or certain of its subsidiaries become the subject of voluntary or involuntary proceedings under any bankruptcy, insolvency or similar law.

J.P. Morgan Europe Limited is the administrative agent and JPMorgan Chase Bank, N.A. is the collateral agent for the Amended European Credit Facility. Certain of the agents, arrangers and lenders under the Amended European Credit Facility have from time to time performed, and may in the future perform, financial advisory and investment banking services for the Company and its affiliates, including JPMorgan Chase Bank, N.A., which is the administrative agent under the Company’s first lien and second lien credit facilities.
